## Help yourself. Help others. Help your community.

Learn the specific skills necessary to deal with relationship conflicts at home and in the workplace. Help your Community deal with the losses that negatively affect us all.

Edu-Therapy™ is a  
Cognitive Behavioral Process for  
healing grieving hearts due to:

Colonization • Residential Schools • Intergenerational Loss and Trauma  
Loss of Family, Parents, Siblings, Children and Friends

Once Certified as an Edu-Therapy Specialist, in as little as 6 hours per week, 1 specialist can bring resolution of the pain and sadness caused by loss to over 200 people per year. Trained teams can escalate these numbers adding to the resiliency of the Community.
